WOMEN'S TROUSERS

ARTICLE

H2348 (khaki)
H2349 (grey)
H2350 (white)
H2351 (black)
H2352 (mint)

MATERIAL

65 % cotton, 33 % polyester, 2 % elastane

GRAMMAGE

240 g/m²

SIZE

34-54

DESCRIPTION

Exclusive women's elastic trousers with a high waist developed especially for women. Thanks to a wider belt with elastic inserts, the trousers fit perfectly on the body; the sophisticated 3D SLIM FIT cut together with the elastic material adapts perfectly to different body types. The cotton stretch material is light and breathable and provides excellent moisture control, which you will appreciate especially in summer; 2 front hidden pockets with design stitching, back pockets in a modern denim cut decorated with embroidery, reinforcing decorative rivets.

This personal protective equipment complies with the following standard requirements:

ČSN EN ISO 13688:2013 – Protective clothing – General requirements

The self-certification was carried out on the basis of the product's technical documentation and practical tests of the ergonomic properties of the company's product by the company Ardon Safety s.r.o. on 20 September 2023.

*JASVENA meets the requirements for health safety and is a holder of **OEKO-TEX[®] Standard 100 certification, PG020 certificate number 128167 OETI.**

TECHNICAL DATA SHEET

NUMBER OF PIECES IN CARTON	20 pcs
CARTON WEIGHT	14 kg
CARTON SIZE	0.135 m ³
UNIT PACKAGING	1 pc

The service life depends on the rate of use and the rate of wear in the given conditions. Inappropriate storage conditions, improper maintenance and care reduce the service life. The warranty period is 24 months. Under no circumstances should the warranty period be confused with the service life of the product. With intensive use, the service life may be shorter than the warranty provided. The product does not contain any substances in concentrations that are known or suspected to have an adverse effect on the user's hygiene or health. However, skin irritation is not impossible for sensitive people, in which case do not continue to use the garment. Avoid fire and sources of intense heat. No accessories or replacement parts are intended for these garments. If the garment is not in use, it is recommended to store it in a dry and well-ventilated area away from direct sunlight. Transport best in original packaging, protect from moisture and extreme temperatures. Dispose ecologically after use.
