250 g/m²

SIZE

46 - 64

DESCRIPTION

A stretch work jacket with functionally inserted parts made of extra durable super elastic Tabiflex® material. The special Amalytton® material, used to make the work jacket, ensures increased strength and durability of the cotton fabric while maintaining elasticity and providing all the benefits of a natural material, such as breathability and a pleasant wearing. The work jacket with stand-up collar has an anatomically shaped and functional SLIM FIT cut. Functional back panels made of extra-stretchy Tabiflex® material contribute to an even better fit when moving. The work jacket has a zipper, is equipped with 1 zipper chest pocket, 1 zipper pocket on the left sleeve, and 2 convenient zipper side pockets; the width of the sleeves and the bottom hem of the jacket is adjustable with fasteners. The upper left part of the jacket is designed to bear a company logo in the form of either printing or embroidery. The back of the jacket has functional ventilation. Higher visibility is ensured by reflective stripes on the front and back and hi-vis accessories.

TECHNICAL DATA SHEET

This personal protective equipment complies with the following standard requirements:

ČSN EN ISO 13688:2013 - Protective clothing - General requirements

The self-certification was carried out on the basis of the product's technical documentation and practical tests of the ergonomic properties of the company's product by the company Ardon Safety s.r.o. on **25 September 2022**.

NUMBER OF PIECES IN A CARTON	20 pcs
CARTON WEIGHT	14 kg
CARTON SIZE	0,0508 m ³
UNIT PACKAGING	1 pcs

The service life depends on the rate of use and the rate of wear in the given conditions. Inappropriate storage conditions, improper maintenance and care reduce the service life. The warranty period is 24 months. Under no circumstances should the warranty period be confused with the service life of the product. With intensive use, the service life may be shorter than the warranty provided. The product does not contain any substances in concentrations that are known or suspected to have an adverse effect on the user's hygiene or health. However, skin irritation is not impossible for sensitive people, in which case do not continue to use the garment. Avoid fire and sources of intense heat. No accessories or replacement parts are intended for these garments. If the garment is not in use, it is recommended to store it in a dry and well-ventilated area away from direct sunlight. Transport best in original packaging, protect from moisture and extreme temperatures. Dispose ecologically after use.
